VIHFA Offers Condolences on the Passing of Mr. Robert Graham

V.I. Housing Finance Authority Interim Executive Director and Chief Disaster Recovery Officer Dayna Clendinen expresses sorrow on the passing of former Housing Authority Executive Director Robert Graham and offers the following statement on behalf of our VIHFA staff:

“It is with profound sorrow that the V.I. Housing Finance Authority marks the passing of former Housing Authority Director Robert Graham. Mr. Graham was an unwavering champion for the advancement of housing initiatives within our territory, leaving an indelible mark.

Mr. Graham's dedication to the development of housing in the Virgin Islands began with his role as a federal receiver, appointed to streamline and lead the Virgin Islands Housing Authority. His genuine love for the territory and his impactful contributions led to his decision to stay, eventually culminating in his appointment to the position after VIHA returned to local control.

A steadfast partner to the Housing Finance Authority for decades, Mr. Graham played a pivotal role in advancing the development of local communities. His commitment, passion, and leadership have made a lasting impact, and he was a friend to many within our organization.

As we mourn the loss of this remarkable individual, we extend our deepest condolences to his family and our community. We are forever grateful for the privilege of working alongside Mr. Graham, and his legacy will continue to inspire our ongoing efforts in the realm of housing development.”
